

Tualatin Hills Park & Recreation District

Dog Walking Parks

THPRD's 200+ park sites, 90 of them with active recreational amenities, offer an abundance of opportunities for you to walk your dog, and we encourage you to take advantage of them regularly. For the protection of wildlife, pets are not allowed within the Tualatin Hills Nature Park or Cooper Mountain Nature Park. All dogs are required to be on a leash and under control by their owners while visiting Park District property. Dogs are allowed off-leash in three THPRD fenced dog parks: PCC Rock Creek, Hazeldale Park and Winkelman Park. Owners are responsible for the removal of all solid waste deposited by their dogs. Please use your doggie bags and protect the environment. Violation of rules may warrant a civil fine of \$100 and possible exclusion from the park. See reverse side for map.

1. PCC Rock Creek Recreation Facility (off-leash)

Access at Portland Community College Rock Creek Campus. Opening Sept. 2013, this dog park features three separate fenced areas and dog drinking fountain. The small dog section is designated for pooches that are 18 inches and under; all other sections of the park are open to any size dog. There are a walking path and benches on the perimeter of the grass areas, several varieties of trees, and an all-season section with wood chips. Please park in the designated THPRD parking area. No dogs are allowed on the PCC college campus, only on THPRD-designated grounds.

2. Rock Creek Trail at Bethany Lake

Park at 185th at Bethany Lake Park just south of West Union Avenue. Head east on the paved trail that skirts Bethany Lake and head to the Rock Creek soccer fields (1.32 miles). Currently, if you want a longer walk, walk to West Union and head east until you reach the neighborhood access point off 179th.

3. Willow Creek Greenway (15 acres)

Park at the Waterhouse soccer field on NW Silverado & Mission Oaks Drive. Two trailheads are located across the soccer field. There's a very nice boardwalk through wetlands and Moshofsky Woods.

4. Jenkins Estate (68 acres)

8005 SW Grabhorn Road south of 209th and Farmington. Park at Camp Rivendale. You can walk the gardens at this revitalized country estate with your pooch or hike the many wooded trails. Parking at Camp Rivendale is available from dawn until dusk.

5. Hazeldale Park (off-leash)

Access off 196th and Farmington. Operated and maintained by THPRD with the assistance of volunteers, the park offers a two-acre, off-leash area with separate fenced area for small and large dogs. The park is roomy with lots of small trees scattered throughout. There are waste bag dispensers on site, and water is usually available.

6. Paul & Verna Winkelman Park (off-leash)

Located at 10139 SW 175th Avenue in Aloha, Paul & Verna Winkelman Park features a two-acre, off-leash dog park. The dog park is fully fenced and partitioned into a small dog paddock, all-season area with wood chips, and a large grassy area for pooches of all sizes to run and play off-leash. Other amenities include a paw wash and an agility area with jump walls and weave poles. On-site water and waste bag dispensers are available.

7. Lowami Hart Woods (29 acres)

Entrances along Hart Road between 152nd and Forest. Official trails can be confused with social or deer trails, so be sure to note where you came from so you don't get lost. This is a nice forested hike along Johnson Creek with several loops to choose from.

8. Hyland Woods (29 acres)

Northeast of SW Murray and SW Sexton Mountain Drive. Access off SW Hargis Road/SW 139th and Sexton Mountain Drive. Several more access points are available along the park's border. This is a popular people and dog walking park with lots of loop trails throughout the forest.

9. Fanno Creek Trail/Denney Road

The Fanno Creek Park/Denney Road trailhead is located in the northernmost portion of Fanno Creek Park, just west of Highway 217, on the south side of Denney Road. The path winds through forests, wetlands and parks. Wildlife abounds along the trail and along Fanno Creek and continues south of Hall Blvd. through Greenway Park, then into Tigard. When completed, this trail will be 10 miles long.

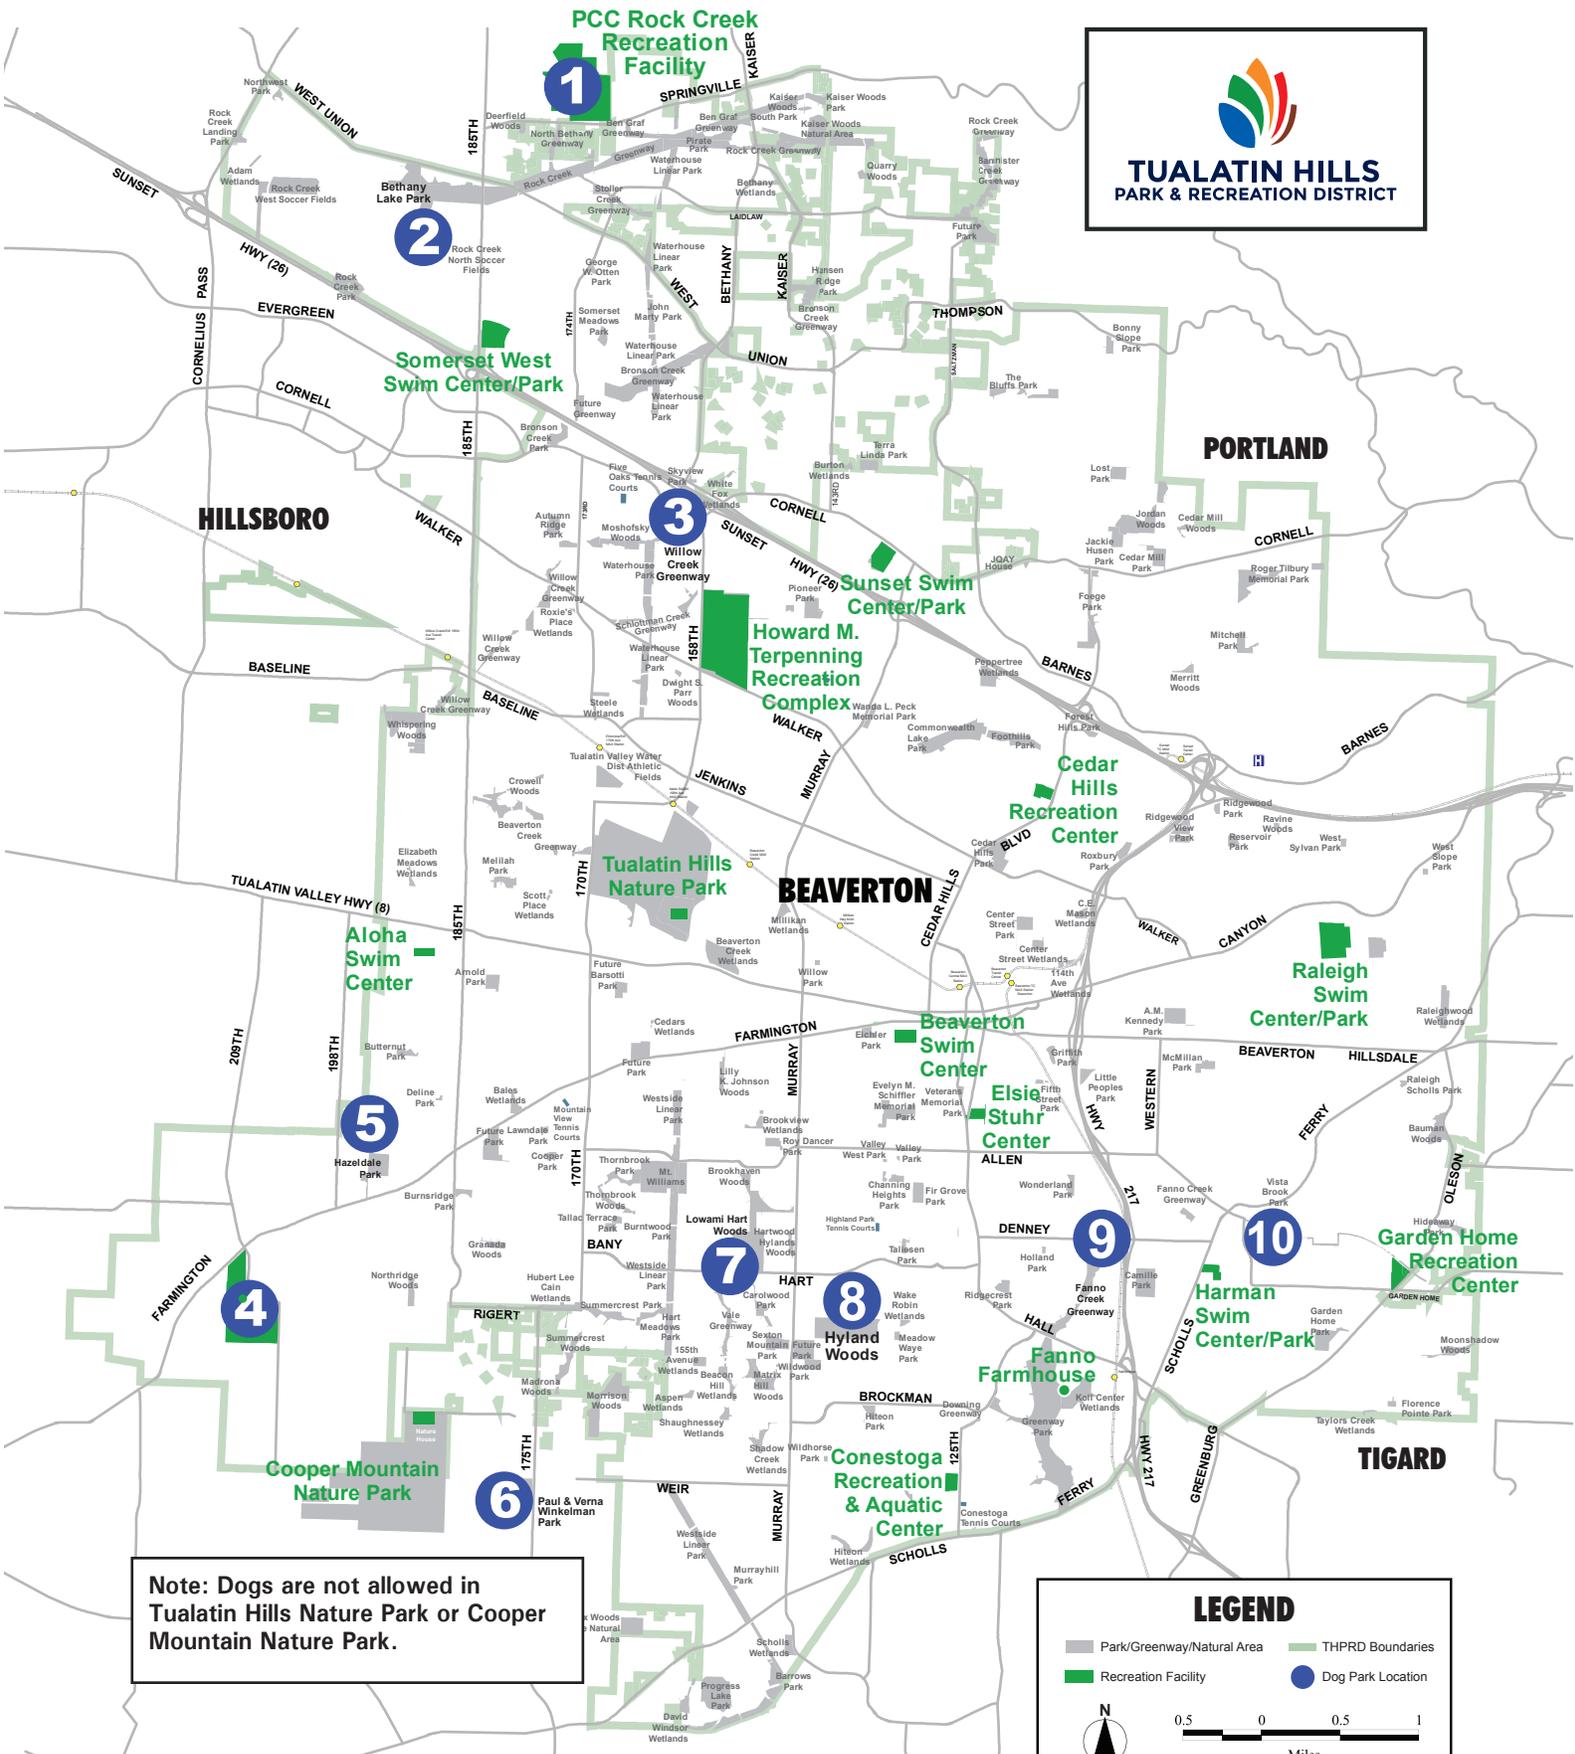

10. Garden Home to Fanno Creek

To walk the entire Fanno Creek Trail within THPRD boundaries, start at the Garden Home Recreation Center. The trail begins on the north corner of the parking lot, along Oleson Road. At 92nd Avenue, cross the road and continue straight along the sidewalk of Allen Blvd. At the next intersection, cross the road and take a left down Scholls Ferry Road and then turn right at Denney Road. After passing over Highway 217 use the crosswalk to reach Fanno Creek Park to your left.

Note: Dogs are not allowed in the Tualatin Hills Nature Park or Cooper Mountain Nature Park.

TUALATIN HILLS PARK & RECREATION DISTRICT

Parks, Recreation Facilities, Maintained School Grounds & Natural Areas

Note: Dogs are not allowed in Tualatin Hills Nature Park or Cooper Mountain Nature Park.
