

USA Volleyball®

Youth Coloring and
Activity Book

www.usavolleyball.org

Hi Kids and Parents! This book was conceived and created by USA Volleyball's Sport Development department to let kids of all ages get a chance to color drawings of the many facets of this lifetime sport. Indoor, Beach, Paralympic Sitting volleyball are all represented along with coaching and officiating, as there are so many ways to get involved in the game. Just go to the USAV website and see how to connect!

What is SafeSport?

Athletes will perform better, soar higher, and get more from sport if they feel safe. SafeSport seeks to create a healthy, supportive environment for all participants. Through education, resources, and training, we help members of the sport community recognize, reduce, and respond to misconduct in sport.

Make the Commitment
Stop Abuse in Sport

Selecting the right sport and club for your child is about more than athletic development or playing time. Parents should do their homework - to learn about a club's reputation and its policies and procedures to protect all athletes. By understanding the components of an effective plan to handle misconduct, you will be empowered to ask the right questions, spot potential risks and have conversations with your child to monitor activities.

The hotline number to report abuse is listed below. To learn more about SafeSport and how to prevent misconduct please visit our website. You will find all the resources you need to ensure your child has both a fun and safe experience participating in sports.

The local RVA will help you find adult, junior and youth programs in your area. There are low coast memberships in most Regions, including FREE ones for 8 & under kids.

USA Volleyball (USAV) is the National Governing Body (NGB) for volleyball at all levels in the United States and is the only organization so recognized by the United State Olympic Committee (USOC), World ParaVolley and the Federation International de Volleyball (FIVB) for sitting, indoor and beach volleyball. USAV, a non-profit, non-government supported organization, sets the standards at all levels from the National Teams to the youngest and oldest age groups in indoor, beach, grass and Paralympic disciplines for both genders. USAV hosts National Championships for 11 & under to 79 & over aged players. Volleyball is truly a lifetime sport. Contact USAV if you are interested in playing, coaching, officiating, parent education, High Performance training or volunteering. No other organization is so totally invested in creating volleyball as a lifetime sport from top to bottom. USAV has a full-time National Office staff, along with dedicated staff and volunteers at all 40 of its Regional Volleyball Associations (RVAs) and works with Affiliated Organizations such as the YMCA and the National High School Federation. The National Office and Regional Offices are devoted to providing standardized governance and programming to grow the game of volleyball.
