**Fanno Creek project**  
**Denny to Hall**

Tualatin Hills Park and Recreation District and Clean Water Services are working together to improve water quality and restore wildlife habitat along Fanno Creek. We will be re-aligning the stream, installing a new bridge over the creek, and planting native plants. We are expecting work to be completed in October 2020.

-  New Fanno Creek route
-  Current Fanno Creek route
-  New bridge over Fanno Creek
-  New ponded areas
