

WESTSIDE TRAIL BRIDGE

2020 Community Survey Results

WHAT DID WE HEAR?

THPRD asked community members how they use the Westside Trail and about their vision for a future pedestrian-bicycle bridge over Highway 26.

Ways respondents typically use the Westside Trail (multiple answers per respondent)

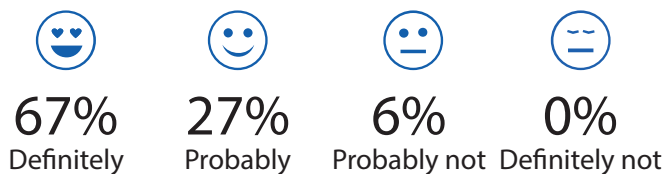

Most frequent destinations when using the Westside Trail

*School was not being held at on location when this survey was collected

Would you use the Westside Trail more often if it safely connected across Highway 26?

Priorities important in a bicycle/pedestrian bridge design
